

Improving Literacy and Numeracy Skills - Assessment and Evaluation. Evaluation of the workshops

This scheme is your preparation for the evaluation together with your Slovenian colleagues and your leader.

You are supposed to fill out the scheme immediately after each workshop. Describe three subjects, which you find interesting for our project:

| Name of the Workshop | 1. subject I find it interesting that ... | 2. subject I find it interesting that ... | 3. subject I find it interesting that ... |
|----------------------|----------------------------------------------|----------------------------------------------|----------------------------------------------|
| 1. workshop | | | |
| 2. workshop | | | |
| 3. workshop | | | |
| 4. workshop | | | |

Evaluation of the day _____

| |
|--------------------------|
| What did I learn? |
| What was new/surprising? |
| What will I use? |

Evaluation of the day _____

What did I learn?

What was new/surprising?

What will I use?
